\*The NCAA regulations leave us in a difficult situation as far as being limited to who can play on certain courts. This is why certain grade levels have to play at either 5:00 or 6:00 on Friday night. Also, keep in mind we use 22 courts so no matter what there will be 44 teams playing to start the tournament on Friday. We apologize for any inconvenience and thank you for your understanding.

**Welcome** to our 30th annual Scheels/Grand Forks Fastbreak Club Junior Grand Am Tournament. This year we have 331 teams playing this weekend in grades three through high school divisions.

The Fastbreak Club has been in existence since 1990. Our goal is to provide basketball opportunities for youth to participate in and enjoy. We sponsor summer leagues and camps, a fall league for grades 3-8, travel teams for grades 3-6, spring travel teams for grades 6-11, and financial support for our high school teams to participate in summer team camps.

We are excited to announce Scheels has agreed to be the corporate sponsor for our tournament. We look forward to working with them to promote our event and the financial support they'll provide for all our youth activities.

Please remember our website will provide updated scores throughout the tournament.

We would like to thank all volunteers, coaches, referees, site supervisors, players, parents, and our community for making this tournament possible.

Our goal is to provide all spectators and players a chance to enjoy the games. Tournament officials will remove anyone whose disruptive behavior or unsportsmanlike conduct interferes with the positive environment of our tournament.

On behalf of the Fastbreak Club Board of Directors, we hope you enjoy our tournament!

President
