Parents:

Please remember, we will need to adjust the schedule if the participating school has a gym conflict. All changes will be communicated through our coaches at practice. If your daughter doesn't make it to practice, please check our website at www.gffastbreak.com for any last minute change. All athletes should be 10 minutes early to practice and have rides waiting as the girls exit the buildings. Coaches have been asked to wait until the last child leaves.

Thank you.
