

Due to the COVID-19 pandemic, our Spare Key team has reached out to numerous organizations such as the Grand Forks Public Health and State of North Dakota Public Health Department about their current CDC recommendations for the Gus Macker Tournament scheduled for August 22nd -23rd.

Based on the information and guidance we have received, the major obstacle we have is that physical contact with a basketball and players – not the size of the audience - is a very high concern.

With this, we are very disappointed to announce the postponement of the 2020 Gus Macker Grand Forks Tournament until the summer of 2021.

Our entire Spare Key Staff was greatly looking forward to having this event and be a part of the Grand Forks community. We look forward to being a part of the community in 2021.

We hope you remain safe and healthy!
